

Biomeet 2025

29 - 30 SEP 2025

TAGUSPARK
CONFERENCE CENTRE,
OEIRAS - PORTUGAL

Organizer

What is **BIOMEET**?

**BIOMEET is the annual meeting
of the Portuguese Biotechnology sector.**

BIOMEET offers a unique platform to share knowledge, explore strategic partnerships and drive the growth of innovative biotech businesses.

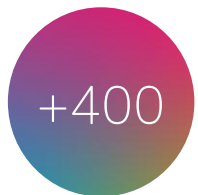

Goals

- **Promote discussions** around the Biotech sector
- **Foster collaboration** between the main stakeholders
- **Inspire innovative** ideas, products and services
- **Boost** new and existing **businesses**
- **Publicize companies/start-ups/ideas**
- **Raise awareness of biotechnology and life sciences**

Who will you meet?

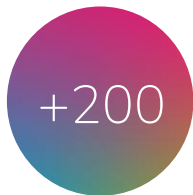

PARTICIPANTS

SPEAKERS

EXHIBITORS

ENTITIES

Senior Executives and Managers
of national and multinational companies,
research institutions and technology centres.

Investors and Ecosystem Agents
who are looking to learn about the industry
and/or expand their portfolio.

Entrepreneurs and Talents
seeking investors, mentors, employers, or
partners for their business ideas or career.

Biotech Industry Suppliers
showcasing their innovative products and
solutions, looking to generate business.

Where and when?

TAGUSPARK CONFERENCE CENTRE, Oeiras - Portugal

29 – 30 SEPTEMBER 2025

Oeiras plays a crucial role in scientific and technological research, as well as in the development of innovative solutions in Portugal. Oeiras accounts for around **30% of the country's technological capacity**, consolidating its position as an important centre of excellence in science and technology.
